Humana Vision Plan

Your eyes work hard for you every day

This vision plan helps you make sure they stay in top shape. The Humana Vision plan offers significant savings on eyewear and preventive checkups. You'll have the freedom to get new eyewear once a year.

A Vision plan offers:

- Comprehensive eye exam once a year
- 20 percent off retail price on items not covered by plan
- Valuable discounts on laser vision correction procedures

It's easy to find an eye doctor at Humana.com/FindAProvider

With the Humana Vision plan, you will have access to the extensive EyeMed network

The EyeMed network has 35,000 national providers at 20,000 locations, including optometrists, ophthalmologists, opticians and some of the most recognizable names in eye care, such as LensCrafters®, Pearle® Vision, Sears® Optical, Target®, and JCPenney® Optical. Many offer appointments after work and on weekends, so you can arrange your visit to fit your schedule.

When to get your eye exam

Age	Risk free	At risk
6 – 18 years	Before first grade and every two years thereafter	Annually or as recommended
18 – 60 years	Every two years	Every one to two years or as recommended
61 and older	Annually	Annually or as recommended

Patients at risk include those:

- With diabetes, hypertension or a family history of ocular disease (e.g., glaucoma, macular degeneration)
- Working in occupations that are highly demanding visually or eye hazardous
- Taking prescription or nonprescription drugs with ocular side effects
- Wearing contact lenses
- Who have had eye surgery
- With other health concerns or conditions
