How to Use
Your
FairPrice
Labs
Card

- 1 Go to <http://www.fairpricelabs.com/lab-card>
- 2 Register your card to activate the additional discounts provided in your membership.
- 3 You MUST PAY for your labs online prior to having them completed at a Quest Diagnostic Patient Draw Center. **ENTER your member ID in the coupon box at the check-out.** You will receive an order confirmation by email.
- 4 Once you have paid for you labs you will receive a 2nd email from the Care Team at Fair Price Labs with your *Physician Signed Lab Order*. Print and take this order with you or have available in your phone to be scanned. If you forget these documents they can look up your lab in the system with your driver's license number.
